EXPERIENCE

Manager, Internal Audit

CCL Industries Inc.

July 2019 to Present

- + Performed audits in compliance with IFRS and Bill 198 (Canadian SOX); traded on TSX
- + Lead the Internal Audit for 33 Canadian and US operations; responsible for 40% of the Global Rev: \$5.3B
- + Reported directly to CEO, CFO, VP Operations, Audit Committee and Board of Directors
- + Developed professional relationship with the GMs and Controllers of North American operations
- + Implemented IFRS 15 & 16, alongside CFO/Controllers and updated the Company's Financial Policies
- + Responsible for the full audit cycle for all North American audits; scoping of components, risk analysis, scale of the audit, audit planning, closing meetings and publishing reports
- + Created automated Excel templates for Controllers to increase financial reporting efficiencies
- + Analyzed financial statements (component level & consolidated) and executed audit testing procedures covering: Journal Entries, Inventory, PPE, Accruals, Revenue Recognition, Leases, Bonus and Controls

Senior Accountant, Audit

KPMG LLP

October 2017 to July 2019

- + Led the Canadian statutory audit and performed US SOX compliance testing for Emerson Electric Co. (Fortune 500); including US GAAP (ASC 606, 450, 350 & 330), conversion to ASPE standards for Canadian entity reporting
- + Led the Canadian statutory audit for Panasonic Canada (Fortune 500) in compliance with GAAP and ASPE
- + Led Quarterly reviews and year-end audit for CCL Industries Inc. (TSX 60) by performing a financial analysis on the globally consolidated financial statements in compliance with IFRS. Additionally, acted as a project manager for component audits spreading across 21 countries (47/180 entities in scope), ensuring all teams globally met deadlines
- + Performed JSOX/ASPE compliance testing on two privately held car/car part manufacturers
- + Worked on a global carve-out audit for a Global 2000 client; The Linde Group (IFRS), based out of Germany
- + Developed strong professional relationships with client contacts and C-level executives
- + Supervised audit associates/staff and coached them in conducting their audit procedures/tasks
